A bit of feedback

- We love the walls at Westminister, the walls and gates look fantastic
- Carr Ellison Park gates, the scheme to paint the 4 entrances has really improved our beautiful park.
- Lukes Lane fencing, it's nice to see the change in the estate with the new fencing, a big improvement.
- Campbell Park Road wall renewal, the walls look excellent and we are looking forward to the gates being installed.
- Davies Hall furniture, it has transformed the lounge, it looks beautiful
- Parking spaces at the quarry, this has made a big difference and stopped the damage to the grass.
