A bit of feedback

South Tyneside Council

- New park benches and picnic benches at West ParkWe love the park and the new benches and looking forward to the nice weather to use the picnic benches
- CWI and loft insulation, the property feels so much warmer and we do not keep the heating on as long
- Improvements to Sylverton gardens, the pavement is much safer and we love the doors
- New fencing on the blocks at trinity estate, such an improvement.
- The mural has really brightened up the park, the effort of the volunteers was excellent and great to see.
