Section 100D of the Local Government Act 1972 gives the public right to inspect background papers for reports. Report Authors must set out at the end of the report a list of documents which have been relied upon in writing the report, or which contain facts or matters on which the report has been based.

This needs to include published works such as legislation and where possible provide weblinks to these documents. Where a weblink is not available, the document must be provided electronically to Democratic Services at the same time as the report to be published for inspection.

Reports containing confidential or exempt information as defined by the Local Government (Access to Information) Act 1985 and which will be considered in private do not need background papers to be referenced.

Background papers must be retained for a period of four years.

The following is a list of the background papers (excluding exempt papers) relied upon in the preparation of the above report:
