

Tyne and Wear Fire and Rescue Service

East Shields & Whitburn CAF Report

Contents

The following data set contains general information relating to fire incidents/ASB fires in this reporting area. This is for public information and sharing for the purposes of reducing ASB and fire crime.

Primary fires include all fires in buildings, vehicles and outdoor structures or any fire involving casualties, rescues, or fires attended by five or more appliances. Secondary fires include refuse, bin, derelict vehicle fires and grass fires. A secondary fire does not involve casualties or rescues.

Please note: The dashboards are interactive, and you need to select the date range from the "Date Range" slicer located in the top left of the dashboard. Once selected, this will sync through to the rest of the dashboard pages. The data shown in the visuals ONLY relate to the date range specified.

Please note that the attached dataset may contain personal data. This data should not be used for anything other than its intended purpose / audience, and should not be re-circulated without permission of TWFRS.

Tyne and Wear Fire and Rescue Authority are responsible for the gathering, storing and processing of data. In order to ensure that the data is accurate and represents a true reflection of our performance we consistently monitor and scrutinise the data through a process of validation.

The information provided in this summary has been obtained from the Incident Recording System (IRS) and is correct AS AT 09:00hrs of the day the following dashboards are viewed.

Please note:

Some incident data may be subject to change, also some incidents may not appear in the report at the time of production. If you have any queries regarding the data included in this document please do not hesitate to contact us. We would also be grateful for any suggestions, comments and feedback, please feel free to contact a member of the Data and Information Team:
