Date of Board Meeting	22 July 2026
Title of Report or Presentation	Guiding You Home Programme Update
Executive Summary Section	
The Guiding You Home Programme commenced on 28 July 2025. This paper provides a programme up date at the end of the first 12 months of the 2-year programme. In summary, the outcomes include: • Reduction in the number of people leaving hospital and going directly into permanent care • Increase in people leaving hospital and RIB's, on a more independent pathway • Reduction in length of stay across hospital, RIBs and reablement • Reduction in conveyances to the Emergency Department • Financial benefits in line with expected delivery and working towards the stretch target • Improved relationships between health & social care, with a common aim for the people who use our services The programme has delivered significant outcomes for the people who use our services, as well as for our staff in the way they work, interact and communicate between health and social care as well as delivering financial benefits for the system.
